Module Aims

To investigate in detail a particular area of media studies; to develop and use appropriate research and library skills; to complete and present a coherent piece of written work.

Outline Syllabus

Any area of media studies; subject area and title to be approved by the supervisor.

Module Learning Outcomes

On successful completion of this module, students will be able to...

- 1 demonstrate the ability to critically analyse and synthesise information and to complete a scholarly piece of written work.
- 2 undertake and write up a piece of defined research in a selected area of media.
- 3 demonstrate effective project and time management.

Learning, Teaching and Assessment Strategy

Working from their proposal and essay structure and bibliography, which they have developed in EM0347D Dissertation - Preparation, students write a critical analytical dissertation on their subject. They will continue to utilise previously identified research methodologies and sources of information and develop their research and ideas supported by regular consultations with their supervisor throughout the semester. Supplementary assessment is to repair deficiency in original submission.
