Learning, Teaching and Assessment Strategy

LO 1a-2b are developed & achieved through a series of contextualising workshops/lectures that cover key topics that will be further explored in; student-centred directed learning activities such as workshops, group seminars & student directed study using VLE. Evidence based content will be delivered by faculty experts & students will be encouraged to identify evidence based arguments & critique these in relation to their practice. Different methods will be used to explore subjects explored in workshops/lectures & provide students with opportunity to discuss & analyse the topics & to improve their communication & presentation skills (LO 3a and 3c). Extensive use is made of Virtual Learning Environment & this medium is used to compliment workshops/lectures, to support students & includes relevant web-sites, documents & a range of online resources such as You-Tube clips & Podcasts. LO 1a-3c will also be addressed using directed student study, this will enable students to develop & expand their knowledge & analytical skills by undertaking guided reading, preparing for workshops & presentations/group work in workshops. LO 1a-3c are assessed via a summative assessment. Students will be able to submit work prior to final submission date & receive formative feedback. This will allow them to submit & receive formative feedback once on detailed outline plan of presentation or if students choose a written assignment an outline plan of their assessment. Reviewers will sample approx 500 words of draft assignment and will provide developmental comments on aspects of writing, for style &

relevant content
