Module Learning Outcomes

On successful completion of this module, students will be able to...

- 1 Understand the differences, similarities and overlays behind the concepts of corporate identity, brand management and marketing for services and products.
- 2 Critically analyse and apply relevant aspect of the marketing concept to an organisation.
- 3 Assess the impact that 'digital' is going to have on the future of your organisation, with particular reference to stakeholder groups such as customers, employees, suppliers and shareholders.
- 4 Critically analyse the environment of an organisation from a strategic perspective and develop a creative organisational strategy taking into account relevant degrees of freedom.

Learning, Teaching and Assessment Strategy

Directed study by use of Study Books, pre-recorded lectures, talks and videos. Interaction through on-line discussion board, on-line multiple-choices questions and quizzes. The students also will be directed to further on-line activities and resources from the VLE. On-line interactive tutorials will be provided as a synchronous learning activity with the module leader or tutor.

Delivery for the Executive will be using flipped classroom to embed the learning and show its relevance in the workplace.

To gain a firm understanding of the subject area and the key issues (as outlined in the syllabus) students will be required to access and engage with a variety of online resources (selected readings, video and audio resources) a designated set text and a module study book that sets out guided reading, self-assessment exercises, case studies and links to

additional resources. This relates to module learning outcome 1 & 2. In addition students attend a series of tutorial sessions. These sessions allow the students to reflect on their learning further applying key academic and practitioner based models and frameworks thereby gaining a detailed understanding. This relates to module learning outcomes 3 & 4. Students have the opportunity to complete a series of online MCQ exercises for each module unit studied. (MLOs 1 - 2) After completing the questions students receive instant feedback on their performance. In addition to this there is the option of completing 2 formative tasks. These tasks involve answering a question(s) on a key issue/theory relating to the module. Written feedback is provided by the module tutor. This relates to module learning outcomes: 3, 4 and 3. The individual assignment is designed to test students' this relates to module learning outcomes 1-4. The assignment allows students to gain an understanding of the subject and explores a number of areas within the module by applying their learning to a real company.

Mode of Assessment

Type	Method	Description	Length	Weighting	Final Assess'
Formative	Examination - MCQ	On-line Assessment	1 hour	%	No
Summative	Coursework	Assignment	0-4000 words	100%	Yes
Formative	Coursework	Assignment with feedback.	0-1000 words	%	No

Legacy Code (if applicable)
