Module Aims
This module will introduce you to social work values and to enable you to examine patterns of inequality, discrimination and oppression. The module also aims to enable you to maintain trust and confidence by communicating in an open, accurate and understandable way and to take responsibility for your own behaviour, actions and personal development.

Outline Syllabus
Social work values; oppression and inequality; power and control; inter-personal, institutional and structural discrimination; social work power and user groups; empowerment, anti-discrimination and anti-oppressive strategies; ethical issues and dilemmas in practice.

Learning Outcomes

1	demonstrate: a) an increased understanding of the development of social work values and anti-oppressive practice; b) different approaches to understanding ethics; c) knowledge of social work as a profession and as a political activity; d) the changing nature of social work services within a diverse society; e) the skill base for practice in partnership with users; f) service user expectations of social workers.
2	demonstrate: a) an awareness of your values, prejudices and conflicts of interest and their implications for your practice; b) an understanding of and make use of strategies to challenge discrimination, disadvantage and other forms of inequality; c) promotion of the dignity and independence of individuals whilst protecting them from harm.
3	a) value, recognise and respect diversity.

Learning, Teaching and Assessment Strategy

The module will include a combination of lectures, workshops, group exercises and non-assessed presentations to better inform your knowledge of values and ethics. You will also be expected to read associated chapters kept on staff files to support lectures each week.

Mode of Assessment

Type	Method	Description	Length	Weighting
Summative	Coursework	3000 word essay	0 hours	100%

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
