Module Title	Study Abroad Experience
Module Code	ENG5004-Z
Academic Year	2020/1
Credits	N/A
School	Department of Computer Science
Subject Area	Engineering and Informatics (Faculty-wide)
FHEQ Level	FHEQ Level 5
Pre-requisites	N/A
Co-requisites	N/A

Contact Hours	
Type	Hours
Placement	1200

Availability	
Occurrence	Location / Period
BDA	University of Bradford / Full Year

Module Aims
This module aims to enable you to: i) benefit from studying and living abroad; ii) develop intercultural awareness and competence through reflection on the experience; iii) enhance your personal development allowing you the scope to transfer the skills acquired to both academic work and future vocational work; iv) widen your knowledge and understanding, and embrace different academic approaches in one or more of your degree subject areas by studying appropriate modules; v) where appropriate, enhance your language skills and develop strategies for more effective language learning.

Outline Syllabus
There is no defined syllabus. The year abroad is voluntary and your diet of study will be chosen to be relevant to your degree studies and agreed with your Department before departure.

Learning Outcomes	
Outcome Number	Description
1	demonstrate understanding of the working of a university in another country and of different academic approaches to the study of your degree subject areas; demonstrate intercultural awareness
2	demonstrate knowledge and understanding within one or more of your degree subject areas by following appropriate modules in the partner institution.
3	show an ability to reflect critically on the independent learning and self-management that living and studying abroad requires.

Learning, Teaching and Assessment Strategy
Upon return to the University of Bradford you will submit this for assessment and give a presentation about the period of living and studying abroad to current students, during your first semester back. During your year abroad a tutor from the University of Bradford will remain in contact with you and can provide feedback on your journal.

Mode of Assessment				
Type	Method	Description	Length	Weighting
Summative	Other form of assessment	A diary, assessment by the partner institution and an oral presentation	N/A	100%

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
