Learning, Teaching and Assessment Strategy
A series of initial lectures on institutions and audiences is used to impart and contextualise appropriate knowledge (LO1.1,1.2). Working in small groups, students will develop, share and apply knowledge in tutorials and reading seminars (LO1.1,1.2,2.1,2.2,3.1). Students will develop a research proposal for written assessment and present this in an assessed tutorial. Feedback from these tutorials allow them to develop their final written assessment (LO1.1,1.2,2.1,2.2, 3.1,3.2,3.3). Supplementary assessment repairs deficiency.
