

Module Details	
Module Title	Capability in Pharmacy 3
Module Code	PHA6010-B
Academic Year	2020/1
Credits	20
School	School of Pharmacy and Medical Sciences
Subject Area	Pharmacy
FHEQ Level	FHEQ Level 6
Pre-requisites	PHA5007-B, PH-2230L
Co-requisites	N/A

Contact Hours	
Type	Hours
Lectures	18
Clinical Placement	21
Tutorials	40
Tutorials	121

Availability	
Occurrence	Location / Period
BDA	University of Bradford / Academic Year

Module Aims
To further develop the professional capabilities required of pharmacy students

Outline Syllabus
The ongoing development of the professional capabilities required of pharmacy students.
The pharmacist as a: communicator; collaborator; educator; self-directed learner; manager; problem solver; scholar; healthcare professional.
Planning, developing and reviewing a negotiated learning contract
Reflecting on learning activities
Collecting and presenting evidence of learning and evidence of competence

Learning Outcomes	
Outcome Number	Description
1	Review previous learning contract and with minimal support, develop a new learning contract to identify and plan your learning.
2	Evaluate a range of learning experiences over the academic year explaining what you've learnt from each experience and with minimal support, identify and plan your new learning needs.
3	Present evidence to demonstrate your competence to communicate, collaborate, educate, self-learn, manage, solve problems and find and review information in more complex situations with minimal differentiation and minimal help and support from others as needed.
4	Present evidence demonstrating excellence, humanism, altruism and accountability in order to show that you are capable of demonstrating attributes and behaviours that befit those of a healthcare professional.
5	Present evidence to demonstrate critical reflection on your learning experiences throughout the academic year
6	Apply knowledge using autonomous study skills to demonstrate a deep level of understanding through the critical analysis and evaluation of three student selected assignments
7	Present evidence of successful and satisfactory completion of the structured programme of learning in the practice setting (work-based learning) and your critical reflection on the experience.

Learning, Teaching and Assessment Strategy
N/A

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
