Occurrence	Location / Period
BDA	University of Bradford / Semester 2

Module Aims
To develop further appreciation of roles in TV production and consolidate understanding of TV production techniques as applied in current industry practices and standards

Outline Syllabus
Appreciation of industry standards. Production development. Preparation, production and post-production of a drama storyline; working in professional production roles. The use of professional equipment and procedures.

Learning Outcomes	
Outcome Number	Description
01	Demonstrate an analytical understanding of the processes involved in the production of a short TV drama
02	Shoot and edit a short television drama, working from a detailed plan.
03	Demonstrate team working and analytical skills and further understanding of production roles. Awareness and application of health and safety procedures..

Learning, Teaching and Assessment Strategy
Lectures, demonstrations and location work. A TV drama production, the associated production folder and a presentation are used to assess the student's appreciation of roles in TV production. Supplementary assessment: the student will be required to repair the deficiency in the relevant failed areas of the module and will be required to repeat with attendance relevant sections of the course, in particular, the production folder and TV drama.

Mode of Assessment			
Type	Method	Description	Weighting
Summative	Coursework	TV drama production group work	50%
Summative	Coursework	Production Folder	20%
Summative	Presentation	Individual presentation critically analysing the group production and identifying participation.	30%

Please note:

This module descriptor has been published in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publication, but minor changes may occur given the interval between publishing and commencement of teaching. Upon commencement of the module, students will receive a handbook with further detail about the module and any changes will be discussed and/or communicated at this point.
